

Supervisory Licence Holder Refresher

Aimed at the experienced Supervisory Licence Holder, this course covers up-to-date amendments to legislation, guidance and 'best-working' practices. Covering all aspects of asbestos removal management this training session is essential in complying with the requirements of Regulation 10 of the CAR 2006 and in readiness for HSE licence renewal.

Course duration:
1 day
(includes written and practical assessments)

Cost:
£110 per person (+ VAT)
(includes lunch/refreshments)

Venue:
Environmental Essentials
Parklands
1 Lyme Drive
Stoke-on-Trent
ST4 6NW
Tel: 0845 456 9953

Classroom and practical modules include:

- Legislation update – CAR 2006 vs CAWR 2002
- HSG247 Asbestos: The licensed asbestos contractors guide
- HSG248 Asbestos: The analysts guide
- Plans of Work and Notification
- Record keeping
- Site set-up and management
- Site auditing & fault finding
- Health & Safety at Work
- RPE care and maintenance

Delegates must undertake and pass a written multiple choice exam. Those unable to achieve the 80% pass mark will be required to re-sit the whole course.

Confirmation of your booking will be sent via post. Environmental Essentials' standard terms and conditions apply. All training fees must be paid 3 weeks in advance of the course start date. All cancellations must be received 10 days in advance of the course start date. All fees are forfeited thereafter, although substitutions are acceptable. Delegates are required to provide their own RPE for this course.
